

## Receipts of Sheep Sale Total \$2,194; Slightly Below Last Year's Figure

**Top Price of \$50.00 Is Received by  
University of Alberta for Suffolk  
Yearling; Bidding Slow Throughout**

Buyers at Lacombe's annual Sheep Sale, held on Thursday, October 7th, were fewer and the sale not so successful as in former years. Bidding was slow; fewer sheep sold, and the averages lower. Fifty-eight purebred rams sold for \$912, an average of \$15.75. Last year 63 rams averaged approximately \$18.20. Twenty-seven registered ewes brought a total of \$185.50 and 266 head of grade animals sold for \$1086.50, a sum total for the sale of \$2194, compared with \$2209.40 total receipts last year. A top price of \$50 was received by the University of Alberta for a Suffolk yearling, Alta University S 131 P, which took a first prize and Champion. Mrs. A. S. MacKenzie also took a first prize on her Suffolk lamb, MacKenzie A 53 R.

The University of Alberta also took the second high price of \$32 for Alta University H 62 P, a Champion and first prize winner.

**Alta Owner Wins**  
Peter Jameson of Alta took first prize for Hampshire lamb with Rodona 2 R. First and Champion in Oxford yearlings went to George A. Graham of Bentley, owner of Graham G A 25 P. First in Oxford lambs was taken by James Cruickshank of Red Deer.

P. J. Rook of Morris got the third high price of \$30 for his Rockville 33 P.

In the Shropshire class, first and Champion went to William Morrison of Innisfail, owner of Morrison 2 P.

The sheep were all in excellent shape, but the bidding was so slow that many entries remained unsold.

**Chief Buyers at Sale**  
Chief buyers at the sale were M. A. Brierley, Rocky Mountain House; McKenzie Bros., 32; D. Parks, Ponoka; C. K. Knight, Edmonton; J. F. H. Paribay, Alta; 20; E. F. Primis, Alta; 10.

C. J. Fritz, Red Deer, 30 ewes and 1 ram; G. E. B. Evans, Alta; Clive, 13 ewes and 1 ram; R. A. Grant, Delburne; 10; Otto Jensen, Homestead, 33 ewes and 1 ram.

C. F. Damron was the auctioneer.

**Car Collides with  
Truck on West  
Highway Wednesday**

Archie Raye, superintendent of the Alberta Pool Elevators in Calgary, received a severe shaking up when the new 1937 Ford car he was driving collided with a Dench truck five miles west of town Wednesday evening.

Reports state that the Dench truck was without lights, and it is thought that an oncoming car blinded Mr. Raye, causing the collision. The Ford car is badly smashed in front, the radiator battered and the motor itself crushed.

**BENTLEY WOMAN WINS  
DIAMOND RING**

Mrs. Alberta Wiancko of Bentley won the diamond ring given away at a spot dance at the Central Alberta Pavilion on Monday night at the dance sponsored by the St. Cyprian's Men's Club. Well over 500 turned out to attend the big dance.

**Badminton Club to  
Hold Tournament  
On Friday Night**

With a membership totalling 20 members to date, the Lacombe Badminton Club opens the 1937-1938 season with a tournament on Friday night, President vs. Vice-President. All members, and those interested in joining the club, are asked to be present on Friday in the Church Hall.

The membership fee has this year been set at three dollars, with playing nights scheduled for Mondays, Wednesdays and Fridays. A social season is anticipated by the executive.

**This  
Week's  
Thought**

Those who bring sunshine to the lives of others cannot keep it from themselves.

## Coronation Medal Received by E. W. Simpson

E. Walter Simpson, genial secretary-treasurer of the Municipal District of Crown, is also the recipient of a Coronation Medal from His Majesty the King. Mr. Simpson has been associated with the Municipal District of Crown as a councillor for three years and since then as secretary-treasurer for the past 31 years. He is a genuine old-timer of the district, having arrived first in Lacombe on May 2, 1894. He homesteaded here and still owns his original homestead. For three years Mr. Simpson acted as a mountain guide in and around Lake Louise and since that time has farmed and ranched.

Mr. Simpson was born in Lincolnshire, Eng., and was educated at the King Edward IV Grammar School in that country. Lacombe and district is proud of her citizens, for this is the fourth Coronation medal to be received locally. Mayor E. H. Jones, J. A. Bradley and F. H. Reed are the only other local Coronation medal recipients, so far as is known.

## Cars Collide At Nanton St.-Barnett Ave. Intersection

Fenders and running boards were crumpled in a slight automobile accident which occurred at the intersection of Barnett Ave. and Nanton St. on Monday afternoon. W. McNab of Lacombe, travelling north to Nanton Street, struck a car driven by Miss Alma Nathan of Bentley, which was travelling south on Nanton St. No real damage was suffered by either car and no one was injured.

## Saskatchewan Can Produce Fine Crop

Drought-ridden though much of Saskatchewan is this year, the western province, which once boasted the proud title, "Bread-basket of the World," produced this excellent crop. The field, thickly dotted with wheat stalks, is located northeast of Prince Albert, on a farm which a few years ago was dense bush. This year the yield was 45 bushels per acre from this field and the owner, Fred Lewis, could visualize a handsome profit from his year's work. Higher prevailing wheat prices have guaranteed a good financial return to wheat-growers in the crop areas.

## Mrs. L. Seguar Brooksley District Passes Away Monday

Mrs. Lulu May Seguar, who homesteaded here with her husband 39 years ago, passed away at her home in the Brooksley district on Monday. She died three days before her 65th birthday. Mrs. Seguar was very well known all through the Blackfalds and Lacombe districts, and is one of the old-timers of Central Alberta.

Funeral arrangements were held in Blackfalds Wednesday, with Rev. Hugh Jack of Red Deer officiating. Pallbearers were: John Morton, Alberta Robertson, R. Olson, Wm. Gauld, H. Jacobson and Cain Bowman. The Lacombe Funeral home had charge of the arrangements.

Mrs. Seguar, born in New Brunswick, came to this district in 1929. She is mourned by two daughters and one son, all three living in Canada.

## Weekly Editors Hold Convention

What was conceded to be one of the most successful annual conventions yet held, the Alberta Division of the Canadian Weekly Newspapers' Association concluded their two-day session last Saturday at the Macdonald Hotel in Edmonton.

Over 60 editors, comprising two-thirds of the membership, attended. President H. T. Halliwell, Coleman Journal, presided. A resolution of protest regarding the press bill was passed and forwarded to Premier King.

The agenda was a full one and many problems affecting weekly newspapers were keenly discussed.

**Newspaper Competition**  
A better weekly newspaper competition, sponsored by the Grain and Milling Advertising Service, Winnipeg, was won by the Grande Prairie Northern Tribune for papers with a circulation of over 750, and the Coleman Journal for papers under 750 circulation.

The wholesale paper houses of Barber-Edwards Ltd., Mid-West Paper Sales Ltd. and Clark Bros. Ltd. were hosts at a banquet given Friday night, and the Edmonton Journal and Edmonton Bulletin hosts at a luncheon given the same day.

Several resolutions were passed at the closing session and the following officers for the ensuing year elected:

President, F. P. Galbraith, Red Deer Advocate; first vice-president, R. C. Jessup, Macleod Gazette; second vice-president, H. J. Ford, Lacombe Western Globe; secretary-treasurer, F. Turnbull, Red Deer Advocate; executive, Miss H. I. McCrea, Hanna Herald; R. L. King, Claresholm Press; B. A. Harkell, Innisfail Province; R. J. Smith, Westlock Witness; and A. L. Horton, Vegreville Observer.

## Macdonald-Dwan Wedding Held Monday Morning

A pretty autumn wedding and one which commanded wide interest had for its setting St. Stephen's Roman Catholic Church at Lacombe, when Father G. J. Harrison officiated at the marriage of Gertrude Marion, eldest daughter of the late Mr. and Mrs. A. R. Dwan of Lacombe, and Mr. John Simmott Macdonald of Clive, only son of Mr. and Mrs. J. Macdonald of Cheshire.

Miss Dwan has for the past few years been employed as secretary at the Ponoka Mental Hospital, and Mr. Macdonald was a graduate of the 1931 class in Pharmacy at the University of Alberta.

The ceremony took place at 10 a.m. on Monday, Oct. 11 (Thanksgiving Day), and lovely autumn flowers which greeted the altar and front of the little church. White ribbons marked the guest pews.

The bride, who was given in marriage by her uncle, Gregory Dwan of Thierien, Alta., was an entrancing picture in a gown of shell pink Chantilly lace over tulle, made on princess lines, with fitted bodice, little Peter Pan collar and elbow-length sleeves trimmed with ruching, which was repeated at the hem of the floor-length skirt. Completing her costume was a small flossette covered cap, long silk gloves matching the gown, and silver slippers. She carried a bouquet of pale pink roses.

Attending her sister as bridesmaid, Miss May F. Lindahl, dressed in an orchid tulle jacket frock, the skirt of which reached the floor.

For her son's wedding, Mrs. Macdonald chose a smart gown of black crepe and with a white corsage of pale pink roses.

Walter P. Dwan, brother of the bride, was the best man. Guests were ushered to their places by Henry Frame, Miss Flore Chretien of Lacombe played the wedding music, and Mrs. F. Chretien sang a solo.

**Wedding Breakfast Held**  
Following the ceremony, the bridal party repaired for the wedding breakfast to the Adelaide Hotel, where covers were laid for twenty in the dining room made attractive throughout by a pink and white color scheme expressed by beautiful chrysanthemums, which had been sent from Coast especially for the occasion. Centering the table was a three-tier wedding cake, handsomely decorated.

Out-of-town guests included Mrs. J. Macdonald and Miss Marion Macdonald of Cheshire, Miss Rose Norrington of Edmonton, Mr. and Mrs. S. A. Lindahl of Westlock; Mr. and Mrs. M. Coole, Mr. and Mrs. G. Vanderzyl and Mr. H. Tompkins, all of Clive.

Travelling to Banff and Lake Louise for a honeymoon, the bride wore a modish two-piece ensemble of canyon red wool, with olive green accessories.

Upon their return the young couple will reside in Clive with Mr. Macdonald is proprietor of the Clive Drug Store.

**DANCE TO BE HELD OCT. 29**  
A dance sponsored by the Ladies' Hospital Aid Society is being held in the Adelaide Hotel on Friday, Oct. 29. All funds will go towards buying equipment for the new Lacombe and District Hospital.

## Vegetables Received In Dried-out Districts Writes Rev. Layton

A letter has been received by C. E. Todd from Rev. R. B. Layton of Medicine Hat, formerly of Lacombe, regarding the vegetables shipped to the southern districts from the local communities. Rev. Layton writes, in part: "You will be glad to hear that the car of vegetables arrived in Redcliffe and was unloaded today."

"The unloading was in the hands of a strong committee who had appointed captains for the areas where the vegetables were to be distributed. This is the first car to come to this region and I am glad it was from Lacombe. If you can complete the second car, it can be used to advantage in this part of the province."

"The rain is general here, too. It is the wettest Fall for years, and the moisture has penetrated about three feet, which looks wonderful to the farmers here."

## Renovation of Church Hall Completed

Now that the repairs and renovations to the Church Hall have been completed, St. Andrew's Ladies' Guild, thinking that generous contributors to the cause would be interested, wish to present the following statement:

**Receipts**  
Donations ..... \$150.25  
Y.W.A. ..... 17.50

Yarn ..... 110.50  
Hardware ..... 11.40  
Building Chimneys and Plaster Work ..... 18.80  
Supplies (inc. Wallpaper, varnish, etc., and labor 241.34  
Total Cost ..... \$557.79

The ceiling has been re-ceiled with shiplap and nicely finished; walls painted in warm cream color; windows have been weather stripped and lightened; floor covered with linoleum; reinforced doors and lights repaired.

**Creditable Appearance**  
With these much needed improvements completed, the hall now presents quite a creditable appearance, and is meeting the recreational needs of the young people of the town, as the badminton and basketball teams gather there regularly for play.

Members of the Ladies' Guild wish to heartily thank all those who assisted in any way toward the improvement of this building, either by cash or work, and extend an invitation to come and see the results of that generosity.

**STAMPED GOODS TO BE  
FEATURED IN DISPLAY**  
A full window display of stamped goods will appear in the windows of Cameron Studio and Gift Shop for the first four days of this week. Next Thursday from 2 to 6 p.m. the ladies of the town and district are cordially invited to enter and view these new pieces, which will be laid out for inspection.

## Lacombe School Athletes Compete in Track Meet At Wetaskiwin Friday

**Ideal Weather Prevailed for Annual  
Sport Event; Lacombe Cops Fewer  
Wins Than Last Year's Team**

By JACK McCAUGHERTY

The second annual school track meet was held in Wetaskiwin on Friday. Ideal weather greeted the athletes taking part in the field day, and the entire meet was a great success. The local entrants, seeded in elimination trials held here the previous week, did not walk away with as many wins as they did last year, but there were less athletes competing. Leduc, Camrose, Ponoka and Wetaskiwin were all represented in the various sports. The following is a summary of Lacombe's winners:

## M.D. Crown Council Appoints Delegates For Convention

Councillors F. B. Stewart and George Hand were appointed as delegates to attend the convention of the Alberta Municipal Districts Association at a regular meeting of the M.D. Crown Council held Wednesday of last week. The convention will be held during the latter part of November.

Road allowance on the south of Sec. 9-29-25-4 was leased to R. H. Liska, subject to the approval of the M.D. Council. Payment, Pay sheets totalling \$668.34 and accounts totalling \$1701.23 were passed.

Grants to school fairs were passed as follows: Lacombe \$60, Clive \$20 and Red Deer \$10.

## Joyce Moir Elected President Blackfalds High School Class

(From Our Blackfalds Correspondent)

BLACKFALDS.—Officers for the coming school term were elected when the pupils of the High School room here held their annual meeting recently. Joyce Moir was elected president, with Dorothy Robison as vice-president. Jack Christie becomes the new secretary-treasurer and press correspondent. Social and Sport committees were also elected, in anticipation of a busy year.

A tea has been planned for later on in the month, the funds to be used for sports equipment.

## Two Hundred Guests Attend St. Cyprian's Thanksgiving Dinner

Over 200 guests attended the annual Thanksgiving banquet sponsored by the Women's auxiliary of St. Cyprian's church and held this year on Friday evening, Oct. 9. Following the dinner, a Thanksgiving service was held in the church. The speaker for the occasion was the H. Rev. L. Ralph Sherman of Calgary, who he chose as his topic, "The Earth is the Lord's and the Fullness Thereof." Rev. W. C. Crisp, Rural Dean of Red Deer, read the lesson, and Rev. E. W. Herbert read the service.

Also on Sunday, Oct. 10, Dr. John Hays, M.D., of Banff, conducted the evening service in St. Cyprian's church. The lesson was read by Mayor E. H. Jones and the service read by Rev. W. E. Herbert.

## GRAIN SPROUTING

The wet and chilly weather of the past two weeks has caused the grain in the field to sprout, which will lower the grade materially. It is hoped that warmer weather will give the farmers a chance to finish threshing.

## Still They Come— More Oddities

A whole hill of potatoes in one! That's what Hans J. Mueller of Eureka Valley found when he dug up a potato that is really about 15 "spuds" in one. The weight is 5 1/2 pounds but it is the shape that makes it a vegetable extraordinary.

The centre is a good-sized potato with a bevy of smaller ones all attached to the main stem. It's worth seeing.

**Raspberries at Spruceville**  
Out at Spruceville D. A. Boden has had raspberries all summer and some brought to the Glue Shop office were picked by Mr. Boden as late as last week-end. They are of the Herbert variety, with a good rich color, and although not quite as large as some of those grown in more favored climates, they are well ripened and thick on the vines.

Girls, 13 and Under—Winona Saunders, 2nd in dash and 3rd in hop, step and jump; Mildred Acton, 3rd in running broad jump; relay team, Winona Saunders, Beatrice Baines, Shirley Mitchell and Mildred McKay—team placed second.

Girls, 15 and Under—Colleen Jamieson, 2nd in dash; Doris Danner, 2nd in running broad jump and softball throw.

Girls, 17 and Under—Kay Hay, 1st in dash and hop, step and jump, 3rd in softball throw; relay team, 1st, Kay Hay, Gerda Mattson, Grace McLeod, Mabel Weeks.

Boys, 15 and Under—Javelin throw, Kay Hay 1st, Doris Danner 2nd. Discus throw, Kay Hay 1st, Nettie Sage 2nd.

Boys, 15 and Under—Don Jamieson, 2nd in dash; Louis Minkler, 1st in softball throw and 2nd in hop, step and jump.

Boys, 17 and Under—Relay team, 2nd, Reg. Wilkes, Bob Waterman, Elmer Young and Bruce Sage.

Boys, Over 17—Irvin jump, Vernon Milne 2nd, High Jump, Vernon Milne 2nd, Relay Todd 3rd, Vernon Milne 2nd in 880 yards; relay team placed 2nd, Irvin Todd, Vernon Milne, Vern Milne and Reg Wilkes.

## J. A. Bradley Receives Coronation Medal from the King

Another resident of the Lacombe district is the recipient of a Coronation Medal. He is J. A. Bradley, who resides northwest of town. Mr. Bradley has been a director of the Provincial Certified Seed Potato Growers' Association since its inception in 1927 and last year was president of this organization.

Born in Ontario, Mr. Bradley settled here in 1900, but lived in Eastern Canada from 1906 to 1914. He has always been a secretary of St. Cyprian's church and held this year on Friday evening, Oct. 9. Following the dinner, a Thanksgiving service was held in the church. The speaker for the occasion was the H. Rev. L. Ralph Sherman of Calgary, who he chose as his topic, "The Earth is the Lord's and the Fullness Thereof." Rev. W. C. Crisp, Rural Dean of Red Deer, read the lesson, and Rev. E. W. Herbert read the service.

Also on Sunday, Oct. 10, Dr. John Hays, M.D., of Banff, conducted the evening service in St. Cyprian's church. The lesson was read by Mayor E. H. Jones and the service read by Rev. W. E. Herbert.

## Impromptu Speeches Cause Merriment at Meeting of W. I.

Following routine business, impromptu one-minute speeches by five members occasioned much merriment at the regular meeting of the Women's Institute on Friday, Oct. 8. Of great interest was a paper read by Mrs. H. Hoppa on "Household Economics—Then and Now," telling of the crude methods of house-keeping in the early Canadian days, when iron pots and clay ovens were used for baking, tallow dips for lights, clothing was woven and sewn by hand, as compared with the modern uses of electricity and machinery with which homes are equipped.

Comparisons in the knowledge of foods were also made. Tomatoes, which were not called "love apples" and were considered poisonous, and it was because of the belief that the baby's milk could be kept safely by adding a little horse radish to it.

**CLIVE GIRL ENTERS CONTEST**  
A young girl of Clive has decided to enter the Dominion-wide Royal Yeast Contest, which gives a University education as one of its main prizes. "Mary" is 17 years old and is now in Grade 12. In spite of the fact that she walks two miles each day to school, "Mary" has the best attendance record at the Clive school and is taking much in addition to her regular studies. Many of our readers will no doubt be glad to assist "Mary" in her contest and it can be done so by kindly saving their Royal Yeast box covers and leaving them on A. M. Campbell's store, or the Red and White store at Clive.

## Democracy?

SINCE Alberta became a Province in 1905, we have always believed that democracy was the form of government practiced within its boundaries. Now, however, a man arises who not only challenges this statement but declares it to be false. Premier Aberhart has claimed time and again that it is High Finance which rules the Province. According to the Premier, the "fifty big shots" pull the strings, the legislators dance and the taxpayers pay the piper.

Under Social Credit, Mr. Aberhart would change all this. He would dry the Canadian Constitution, close the courts to certain classes of Alberta citizens, muzzle the press and put his own police in charge of the Province. Nor does he stop there. He would have the government controlled by a so-called "expert" from Fig Tree Court in England, who would tell him what to do, and through a method of experimentation, he would finally reach his goal—his fallacy, Social Credit.

No right-thinking man in this Province will say reforms are not needed. They are, and in many cases needed badly. The complete employment situation of the entire world is still feeling the effects of the last war. Many people are without jobs and exist on relief allowances. These things must be corrected, but would it not be surer, safer and speedier to bring about these reforms in an orthodox and sensible manner, instead of by a mad scramble—which can result only in the citizens of this Province being the losers?

## Starting Off Well

MEMBERS of the newly formed Lacombe and District Hospital Board are to be commended on their endeavour to provide hospitalization at cost. They realize that a hospital erected through the raising of funds from the taxpayers is a co-operative project, and they have shown their willingness to meet the taxpayers half way.

Two dollars per day for a public ward is below average as most hospital charges go. The Board has set this rate as a tentative figure, and it is quite possible that after the hospital has been in operation for six months to a year, a revision in this rate will be made. The actual cost of operating the new hospital is not yet known, and it will be some time before the figures are available.

However, in the meantime, the Board has set off on the right foot by placing the hospital rate as low as they dare, without first knowing operating costs, thus aiding the people to cut down in that pocket-book "bug-bear," "Hospital Bill."

## Got His Wind Up

(From the Lethbridge Herald)

THERE is no longer any doubt that the electors of Okotoks-High River got Premier Aberhart's wind up when they forced him to run for cover by getting his ponderous majority in the House to kill the Recall act.

There are 6,000 electors in the Okotoks-High River riding, and of these 5,469 voted and 3,862 voted for the Social Credit candidate.

On the requirement of the Recall act that 60-2-3 per cent of the names on the voters' list would have to sign the recall, making 4,400, that would mean that all who voted against Social Credit, all who did not vote, and 800 of the former supporters of Social Credit would have to sign up before the 4,400 names could be secured.

Can it be that Premier Aberhart has information from his spy system that the Okotoks-High River voters have turned against him in such numbers? Is that why he got his followers in the House to wipe out a measure passed only last year? Is that why he ran on a test of public opinion in his own riding?

## Do You Remember

ONE YEAR AGO—OCTOBER, 1936

(From the Files of the Western Globe)  
The total amount realized from the Sheep Sale held in the Central Alberta Pavilion October 8, 1936, was \$226,400. The sale was one of the most successful ever held here.

Ducks are reported to be plentiful around the district but hunters report shooting poor because of the large number of hunters. Reports of large flocks of geese east of Lacombe have been received.

25 YEARS AGO—OCTOBER, 1912

(From the Files of the Town Council)  
A tender for \$500 from Messrs. W. B. and D. Hay for the lease of the newly completed skating rink was received by the Council. Councillor D. C. Gourlay was appointed to interview the two men and report at a later meeting.

## Through the Eyes of a Country Woman

By BRIDGET

Last week the Lacombe and District Board of Trade, in co-operation with various week-enders, called on the District of Lacombe to load a car of vegetables for the dried-out areas, if possible. What happened? The one car became two, then it became three. Think of it—three carloads from Lacombe and district, filled with health-giving vegetables for the hungry and sick farmers in the South. When one pauses to consider that carloads have been sent from the majority of the surrounding towns, the feat is even more astounding. Does it not prove, beyond a doubt, that co-operation is the answer to most problems?

With co-operation so much could be accomplished, but farmers in particular, due no doubt, to past (and present) exploitation, seem loath to co-operate—too wary of their neighbors, too desirous, in these needy times, of getting everything they can. They need it, heaven knows, but if there is a class of persons to whom co-operation is essential and beneficial, it is, first and last, the farmer.

Is not every individual prone to think that he or she can resolve his or her individual axis, and often it is not until some big emergency is brought to their notice by some broad-minded person or organization that it occurs to them that their neighbors are not their natural-born enemies, but are willing and even eager to co-operate in any worthwhile scheme.

When one reads of the co-operatives in Denmark, Sweden and in other countries, it does seem a vast pity that Alberta is not more co-operatively minded—not only in marketing its products and in purchasing its requirements, but in the everyday problems that concern one and all. If we could only learn to co-operate, without petty questioning, in these everyday problems, as they affect us and our children, we might accomplish many longed-for reforms. To be co-operatively minded for the ultimate good of any scheme calls for vision and self-sacrifice. Many of us are not idealistic enough to work for some reform from which we will not benefit materially in the near future, and the culmination of which may not be in our lifetime. It is difficult to attain this lofty state of mind, for it takes courage of a high order to champion the cause of human rights, to risk all in the struggle, with no certainty of realization.

This was brought home to me very clearly as I sat and read, in turn, the "Alberta School Trustees' Magazine" and the "A.T.A. Magazine" (the teachers' organ). Surely there should be the closest co-operation between these two bodies. The school trustees of this Province and the teachers have a sacred trust in their hands, which should not be hindered or belittled by personal differences. Guiding and teaching the youth of Alberta is of paramount importance to all for, our children, have to carry on the building of our land when we pass on.

Does it not seem deplorable that the school-room which houses our young ones for the greater part of their waking hours should be the birthplace of many petty quarrels, which lead inevitably to hard feelings and dissension? If all were working for the common good, self forgotten, such circumstances could not, and would not, arise. Lacombe lies in a more or less prosperous locality, so perhaps it is more difficult for me to visualize some of the quarrels, petty and ridiculous, that are reported.

I cannot believe that any rural school trustee has accepted the position for any glory and honor pertaining thereto. To begin with, contrary to some people's ideas, there is "nothing in it." In fact, to any trustee, negligent or conscientious, this post means a certain outlay, gasoline to attend meetings, and loss of valuable time. Besides the actual outlay, he must be prepared for many eventualities, to mend doors or windows, fix the pump and sundry other little odd jobs. He must have the ability to act as buffer when Sister Sue does not get promoted, as her fond parents expected, or young Tom arrives home the worse for wear.

The wisdom of Solomon and the hide of a rhinoceros are assets all trustees must possess. Only a man with a true love of children, and a high sense of duty, would accept this added burden to a busy life.

This, by the way, leads us to one of the fallacies of the large school unit, i.e., the saving of salaries. Rural trustees receive nothing, the secretaries from nothing to \$10 or \$15 per year. In the village districts, secretaries receive somewhat higher salaries. So, when one thinks of the salaries it would be necessary to pay the secretary and superintendent of a large school unit, plus cost of offices and general upkeep, etc., it gives one room for thought.

If (and this is a big if) it would give the rural children a better education, under better conditions, no parent would protest, even if unable to pay the necessarily higher taxes. But the physical disabilities are against it in most parts of the Province. The establishing and setting up of secondary schools is a huge undertaking, and would entail, in some instances, children of 12 or 13 having to go impossible distances.

This brings me to something that we rural folk could and should co-operate in having put into effect, and at once—it is long overdue. Accommodation for rural school children attending High School in towns and cities is what I refer to. The rural children have the right to demand equal rights in the matter of education. Their fathers produce approximately 65 per cent of the wealth of the Province, but their children are handicapped in the matter of education. No child is fully competent to look after itself entirely at the age of 14, which is the age at which quite a large percentage of rural children pass out of country schools.

On attaining High School age they are confronted with a few alternatives, i.e.

1. If financially able they can procure board in a suitable home.
2. If less well fixed they can secure a room

## Prize Winners at Lacombe School Fair

The School Fair held at the Exhibition Grounds, Lacombe, on Wednesday of last week was reported in last week's issue of The Western Globe. At that time it was impossible to publish a complete list of prize winners because of limited space.

The complete list of prize winners follows:

Ponies—1, Margaret Fleishman; Spruceville—1, Roy Plesman of Spring Valley; 3, Roland Plesman, Spring Valley; 4, Donald Henderson, Central.

Prizes for Best Decorated School Booth—1, Sunny Crest; 2, Lakeside; 3, Arbordale.

Special Prize for Cottage Cheese—1, Pearl Peterson, Lakeside.

Raymond Special for Crabapple Jelly—1, Virginia Gimbel, Central; 2, Pearl Marquardt, Lakeside; 3, Mary Ogilvie, Eldhorn; 4, Wilma Fleishman, Central; 5, Marion Gee, Sunny Crest.

Raymond Special for Sea Foam Candy—1, Glen Sampel, Mtn. Grove; 2, Harold Neal, Lakeside; 3, Vernon Gimbel, Central; 4, Norris Shaw, Central; 5, Rex Gee, Sunny Crest; 6, Donald Gee, Sunny Crest; 7, Donald Peterson, Lakeside; 8, Ian Jardine, Mountain Grove; 9, Cecil Switzer, Canyon.

Magic Baking Powder Special—1, Margaret Fleishman, Spruceville; 2, Evelyn Fox, Eureka Valley.

Best Pair of Ducks—1, Harold Shaw, Central; 2 and 3, Norris Shaw, Central.

## Vegetables

Vegetables were judged by schools, and exhibits from different schools separately.

## MOUNTAIN GROVE SCHOOL

Russet Potatoes—1, Margaret McEachern; 2, Frances McEachern; 3, Hazel McEachern.

White Potatoes—1, Dorothy

then proceed to cook up food provided by Mother at the week-end—in other words, keep house for five days of the week.

3. A student of the female persuasion may do "light house-work" in return for board.

4. The student may ride or be taken anything up to 15 or 15 miles to school.

Can anyone commend any of these alternatives as good for the growing and impressionable child? Regarding the first alternative mentioned, what family will, or should even be asked, to take full responsibility for a child's 24 hours of work, sleep and play?

In the other three alternatives there is a strain entailed, either of being one's own housekeeper or of pleasing one's employers, or the purely physical strain of a 20- (or better) mile round trip daily, which no child should be subjected to.

So, what is the solution? Our rural children should be housed, fed, supervised and cared for during their high school years. Let us co-operate and work out some feasible plan to make this possible, and let us do it NOW.

## Spruceville

(From Our Own Correspondent)  
SPRUCVILLE.—We are sorry to report that Mrs. Flack is in the Bentley Hospital. We all wish her a speedy recovery. Mr. and Mrs. Eugene Shepler of East Coules were visitors at the home of Mr. and Mrs. Proudfoot. Mrs. Shepler was formerly Miss Iva Proudfoot.

There was a very enthusiastic meeting of young folks at Mrs. Rice's home on Saturday night. Harry Southward gave a very thought-provoking talk on the opportunities of youth today. It was decided to take up a topic for study each month. The first item for discussion will be "The Freedom We Enjoy," led by Miss Phyllis Rice. All members are expected to bring some contribution to this discussion. Two plays are to be put into rehearsal at once.

Mr. and Mrs. Young of Guelph, Ont., are visiting with their son, daughters-in-law and grandchildren. Mrs. Young renewed many acquaintances at the U.F.W.A. meeting held last Wednesday, by a strange coincidence at the same house where five years ago she attended a U.F.W.A. meeting.

To Help Hospital  
The ladies showed themselves desirous of helping the hospital. The meeting was very interesting, and it was decided to bring a "current event" to every meeting besides the roll call.

Final arrangements for the chicken supper to be held Oct. 29 were made. Novel decorations are planned and the usual plentiful supply of "eats" was promised.

We would like to contradict a rumor that the prices of the chicken supper will be raised. The cost of the supper will be the same as other years—\$3.00—no change has been made in this respect.

It was unfortunate that your reporter was misinformed in respect to Spruceville's non-participation in the School Fair. Dr. Little gave the school permission to enter and they did quite well, as can be seen elsewhere in this paper.

Mr. and Mrs. O. S. Young entertained Rev. and Mrs. Warren on Sunday.

Molly Heath was a hospital patient Saturday for a slight operation.

We are glad to hear that a slight improvement is noted in Mrs. "Bill" Barker's health. Mrs. Barker is in hospital in Edmonton.

## Clive

(From Our Own Correspondent)  
CLIVE.—Thanksgiving services were held in both the United and Baptist churches on Sunday last, with appropriate programs and decorations.

Monday was rather a quiet day in town owing to the sudden change in the weather. The day was worse. All outside activities were cancelled.

Mrs. Cunningham spent the week-end at Lacombe, visiting her daughter, Mrs. Carson Graydon.

Our local druggist, J. Simott Macdonald, was married to Miss Marion Dwan of Lacombe on Thanksgiving Day. The ceremony was performed by Father Harrison of Lacombe.

The marriage of Miss Florence McMillan of Clive to Mr. Kenneth Elie of Pigeon Lake took place at Pigeon Lake on Wednesday, Oct. 6. They will reside on a farm at Pigeon Lake.

If this weather keeps up much longer we will be threshing next Spring.

## Around the Town

Miss Irene Smith spent the holiday week-end at her home in Edmonton.

Miss Vivian Pratt spent last week-end in Calgary visiting with her mother, Mrs. J. G. Pratt.

Horace Sellers was a week-end visitor in Edmonton.

Mr. Basil Godfrey was a visitor to Calgary over the week-end.

Mr. and Mrs. G. J. Simons of Thorby spent the holiday week-end here visiting with Mrs. Simons' parents, Mr. and Mrs. D. Cameron. Mrs. Simons will extend her visit here for a short time.

Will the gentleman who had Cloak Room Ticket No. 28 at the Thanksgiving Dance in the Central Alberta Pavilion last Monday kindly return the ticket to the Western Globe blue chinchilla in the containing two scarves and a pair of ladies' gloves, 01c

## Mirror

(From Our Own Correspondent)  
MIRROR.—Miss Irene Simpson and Audrey Chown found wild ripe strawberries growing here Sunday, October 10. They reported finding plants blossoming also. Believe it or not.

Mr. W. McCormick of Corona, California, one of the first residents of Mirror, having come here in 1906 to live with his first wife, died recently. He was a well-known party by her many friends at the home of Mrs. Wm. Walker, Thursday evening of last week, during the course of the evening Mrs. J. Baugh presented Mrs. McCormick with a gift on behalf of those present. A very pleasant evening was enjoyed by all.

Mrs. McCormick leaves shortly for her present home in Corona, California.

The contract bridge club held their first meeting at the home of Mrs. C. E. Hardie Friday afternoon, Oct. 8. Honors at contract were won by Mrs. Wm. Walker and Mrs. Wm. Pray.

Mr. and Mrs. Jos. Culp and family are leaving for Drumheller shortly. Mr. Culp will be employed by the Canadian National there.

Mr. and Mrs. S. A. Whitfield and family formerly of Alix are residing in Mirror.

Miss Florence Evenson and Missie Wheatley, primary teachers here, and Messrs. J. Henderson and R. A. Cantelon, public school teachers, attended the recent Teachers Convention held at Stettler, Alta.

Threshing outfits which started operations last week, have been forced to halt on account of snow and damp weather prevailing this week.

Mrs. H. Olding of Edmonton is a visitor at the home of her daughter, Mrs. Max Crook.

Mr. and Mrs. D. Aiken, accompanied by Misses Florence Evenson and Missie Wheatley and Mr. R. Cantelon, motored to Edmonton where they spent the week-end.

The Young People's Association of the Christian Missionary Alliance Church here held a farewell party in honor of Miss Jean Greave and Iris Pendergast at the farm home of Mr. and Mrs. J. McLaren Friday evening, Oct. 8. The honored guests were the recipients of gifts from their friends.

The evening was spent by games and contests. Misses Greave and Pendergast leave shortly for Three Hills Bible school where they will take a course in missionary work.

## Sunny Crest Specs

By SPY

SUNNY CREST.—Miss Connie Carter spent her Thanksgiving holiday in Calgary.

Mr. and Mrs. E. Dole and family motored last week-end to Delburne to visit a brother, Carl Dole.

Sunny Crest did better than usual at the School Fair this year. They were the first prize winners for their table decorations.

This consisted of a little school house, just like their own, but made out of an apple box. It was surrounded by miniature walks and flower beds, a little toy boy running across the yard and a little doll on the doorstep whom everyone called "the teacher." They won third in the parade and third in the sports, their score being 31 and the winner's only 34—just three points ahead.

Marion Gee, we hear, won 11 first prizes, mostly in cooking and embroidery work. You will find elsewhere a complete prize list in this issue.

The threshing rigs expected to start up again last Monday but the bad weather held on. There are a few lucky folks in our neighborhood who have finished and partly threshed, with some already hauled out and loaded. Everyone is looking for fair weather.

A Tea and Sale of Baking sponsored by Lacombe's Rebekah Lodge will be held at the home of Mrs. U. E. Reeves on Saturday, Oct. 23, from 3 to 6 p.m. The funds raised will be used to purchase supplies for the new hospital. Donations to the bake table will be very acceptable.

The Men's Club will hold its first meeting of the season in the Church Hall on Friday night, Oct. 22, from 8 to 9 p.m. The funds raised will be used to purchase supplies for the new hospital. Donations to the bake table will be very acceptable.

Miss Jean George visited at the home of Mr. and Mrs. Joe Craig over the week-end.

Mrs. D. F. Chisholm was hostess to the members of her bridge club on Tuesday night.

Mr. and Mrs. Al Weston returned on Monday from Banff, where they spent a few days.

Miss Alberta Peterson spent last week-end in Calgary visiting her mother, Mrs. H. Peterson.

Mrs. David Gilmour had as weekend guests Mr. and Mrs. Fleming Gilmour and family of Vegreville and Mr. and Mrs. Douglas Gilmour of Trochu.

Don McCormick spent Thanksgiving with his parents, Mr. and Mrs. J. S. McCormick. Don is attending the University of Alberta.

Misses Jean Henderson and Margaret Ranton spent the holiday week-end in Calgary.

Jim Fairbairn was a Calgary visitor over the holiday week-end.

Stan Wilson, who is now manager of the P. Burns Co. store at Princeton, B.C., was a visitor in town for a few days last week-end, renewing old acquaintances.

The general business meeting of the Let-We-Forget Club will be held in the Town Hall on Friday, Oct. 22, at 8 p.m. Will members please take note of the date, as important business will be discussed.

Miss R. Lockerbie spent the Thanksgiving holiday with relatives in Chivell.

Mrs. H. V. Shaw of Edmonton spent Thanksgiving week-end visiting her brother-in-law and sister, Dr. and Mrs. J. H. W. Moore.

Don Sneath of the University of Alberta was a week-end visitor with Jack McLaugherty.

Hal Haverstock spent the holiday week-end in Camrose.

## Blackfalds

(From Our Own Correspondent)

**BLACKFALDS.**—Continued wet weather has again held up threshing operations, and a little of which has been done during the past week. It is believed that the recent rain will reduce the grain by at least one per cent.

Several local people took in the Anglican chicken supper held at Lacombe last Friday; among them were the Walkers, the Warrens, the Hales, Miss Smith and Mr. P. McLennan.

Mr. and Mrs. Pat Miller were in the village on Saturday to display the trailer they have built in which to make their forthcoming trip to the U.S. Mr. Miller is waiting for harvesting operations to end before having his sale and then leaving.

Mr. and Mrs. Chester Miller are receiving congratulations upon the birth of a daughter at Lacombe on the 2nd.

Mrs. Farewell is proud of her two new grandchildren, one born to Mr. and Mrs. S. Miller, of the Peace River, and the other to Mr. and Mrs. Geo. Farewell of Edmonton recently.

The W.W. held their usual monthly meeting at the home of Mrs. Fleckler last Thursday. After some deliberation, it was decided not to go through with the chicken supper which had been planned for this month, but, instead, to appoint a committee of two ladies each month, whose duty it will be to raise money for the club.

**Sports Club Meeting**

The Sports Club of the village met at the hotel under the presidency of J. Walker last Thursday night for the purpose of planning a more permanent skating rink. It was agreed that a rink with a well nearby would be more satisfactory than hauling the necessary water from the various wells in the village, as had to be done last year. A committee of two was appointed to look into the matter and to advise at a later meeting whether a suitable well could be found near the site of the present rink, and, if so, what would be the cost of same.

Mr. and Mrs. John McKay left on Sunday morning for Vancouver.

Mrs. Shillington has been having her house repapered and kalsomined during the past week, thanks to the kindly assistance of the Trimblets of Red Deer.

Vance Capron has had his nose put into shape, surgically, and is now working at Clive.

**Visitors to Coronation**

Mr. and Mrs. Walker and Mr. and Mrs. Peterson were here on an all-night trip to Coronation last Thursday.

Miss Smith spent Thanksgiving in Edmonton and Mrs. Erickson was also away for the week-end.

Mabel and Chester Martin were home for the week-end.

The service in the United church last Sunday was held by the Rev. Mr. Barton of Edmonton, who left hospital the previous day and seemed very weak. However, he performed his duties very effectively.

## Westling

(From Our Own Correspondent)

**WESTLING.**—Miss Mabel Westling has returned home from Edmonton.

Mr. and Mrs. Ernie Westling and Matt Zachos visited Edmonton last week.

A card party was held in the Westling Hall on Saturday, Oct. 9. The prizes went to Mrs. Edna Westling and A. Billingshurst.

Mr. and Mrs. L. Forch and family of Eugene, Ore., one-time residents of this district, are visiting friends and relatives here.

D. Will was an Edmonton visitor last Tuesday and Wednesday. Mr. and Mrs. A. Strandberg and family and A. Strandberg and son of Hugonville motored to Edmonton Sunday.

Rev. Mr. Erickson passed away in the University Hospital in Edmonton on Sunday. Mr. Erickson was the brother-in-law of A. Strandberg. The district expresses its deepest sympathy to the bereaved family.

Mrs. D. Will motored to Edmonton last Thursday with Mr. and Mrs. Wm. Waldron of Bentley.

Mr. and Mrs. Howard Jeglun attended Mr. and Mrs. Kull's silver wedding anniversary on Sunday.

The English Church W.A. meeting will be held in Clive on Wednesday, Oct. 13. Mrs. Elliot and Mrs. Pharis will act as hostesses.

## Fairview

(From Our Own Correspondent)

**FAIRVIEW.**—Cement is being poured into forms for the basement of the new school.

Many Fairview people have shipped vegetables to the Lacombe carloads to the dried-out area.

The Fairview Ladies' Aid wishes to thank all those who subscribed toward the redecoration of the church.

Don't forget our chicken supper on Friday, Oct. 22. Someone is going to win an extra fine rug.

## Tees Tattle Tales

By TATTLE

**TEES.**—The report some time ago that a hotel was in the offing for this little hamlet was true but the fulfillment has fallen through for the time being.

It is now reported that the party or parties who had at first been interested in building here have decided to wait until the Credit House has been completed. After viewing the district's teachers' convention it was considered advisable to wait for a freer flow of wealth before entering the catering of food and drink.

Miss Putnam, Mr. Scott Burns

and a young lady from the Nebraska School, all from this district, entrained for Stettin on Wednesday to take in the school teachers' convention at that point. Afterwards the party split up, Miss Putnam going to Calgary, the young lady from Nebraska going to Red Deer and Mr. Burns to Edmonton to spend the Thanksgiving holiday. Mr.

Newton of the local staff stayed at home to keep the children out of trouble and to have them prepared to receive their father, who was shot in the arm, covering numerous ailments.

**Bumper Weed Crop**

Ed. Sage has been handling millions of the bumper crop, but not dollars. In his case it is

seeds from our bumper weed crop. He reports that his new machine does the trick and has made his grain acceptable at the elevator.

Mrs. Montgomery has been laid up for the past three weeks with a severe attack of bronchitis and is now on the road to improvement. The boys are very grateful, as it will relieve them of the

cooking. D. B. McMillan, M.L.A., returned from the special session of the Legislature and is now completing his harvest operations, delayed somewhat by his job of looking after our welfare.

# The Facts About Banking in Canada

Reproduced from the Fifth Broadcast in a Series by Vernon Knowles for the Chartered Banks of Canada and Delivered Over a Province-Wide Network of Alberta Stations on Tuesday Evening, October 5th, from 8:30 to 8:45.

Shows That Banks Have Increased Credit by \$227,000,000 Since 1929 . . . Alberta's True Wealth More Than Offsets Albertans' Debt. . . Deals With Money, What it is, Where it Comes From and How it Works . . . Canada's Currency and Credit Controlled by the Dominion Government Through the Bank of Canada . . . Points Out Question of Who Owes and Who Owns.

**YOU** have heard that ordinary banking business is one thing, and credit something else. The idea seems to be that the ordinary business of banking can go right along without hitch, while banks can be forced at the same time, to grant extraordinary credit without limit regardless of assets or values.

Not only is that impossible, but actually it could have led to the ruin of the banks and of the country as well.

You hear that when banks have to pay anything, they merely issue their own cheques and it costs them nothing. It is not true. It just can't be done. Like you, a bank can only pay what it owes with money which has to be earned — in the last analysis real cash. I shall tell you more about cash in the course of this broadcast.

Now I shall answer two more absolutely false impressions which I find rampant throughout Alberta. The first is that, since 1929, Canada's Chartered Banks have reduced the total volume of credit by \$766,000,000. The second is that Alberta has only twenty cents on the dollar to meet her debts.

Regarding the \$766,000,000 it is even suggested that the Chartered Banks deliberately and wilfully reduced the money in circulation to that extent in order to gain some selfish end. If you were told that the bankers refused to sell bread, it would be about as sensible as the story that bankers refuse to make loans to responsible borrowers. Banks receive their chief revenue from loans and to say that they wilfully withdraw credit by the Hundreds of Millions is equal to saying that they are in the habit of cutting off their nose to spite their face.

Our critics have fallen into an error that is quite understandable. They have looked at one column of figures in the statistics published by the Bank of Canada, without looking at another column where they would have found their answer. It is quite true that the total of commercial loans shows a large reduction, but it is also true that investments in bonds show a large increase.

What is the explanation? Simply that, with much-reduced business activity and lower prices, our customers use less money. For example, when wheat is worth say \$1.50 a bushel it takes \$150,000 to buy one hundred thousand bushels. But, if wheat were at fifty cents a bushel, it would take only \$50,000 to buy the same amount of grain. Owing to the difference in price the same amount of business can be done with \$100,000 less money.

On top of that is the uncertainty that comes with depression and the hesitancy of people in business to commit themselves with their usual confidence. They go on a hand-to-mouth basis. They do not want loans in anything like the amounts they want in normal times. Banks, however, cannot afford to have their funds lying idle and earning nothing; therefore, they are driven to invest much more heavily in bonds.

The earnings a bank gets out of a bond are much lower than come from an ordinary loan. Wouldn't you, if you were a banker, prefer to make loans rather than put your money into bonds?

What are the facts:

The total of loans outstanding and money invested in securities by the Chartered Banks, at the end of July this year, was \$227,000,000 greater than in July of the boom year 1929. Money invested in Government and other bonds is a loan to a Government or a Corporation just as much as an advance to a farmer, merchant or manufacturer is a loan to him.

Since 1929 Canada's Chartered Banks have actually increased credit by \$227,000,000. This completely breaks down the absurd claim that we have decreased credit by \$766,000,000.

Now as to that second false impression:

The general proposition that Albertans have \$80,000,000 in the bank and that they owe \$400,000,000 is just one of those things that sound plausible but present a clear misrepresentation. Even assuming that the figures are correct, the \$80,000,000 is not all that Albertans possess.

To that figure you must add their individual possessions and the wealth and potential wealth of resources which stand behind your provincial borrowings. Consider, for instance, the true value and the potential productive worth of Alberta's coal mines, oil fields, tar sands, farms and forests.

If you add to your \$80,000,000 in deposits the true value of the assets which stand behind the \$400,000,000 you will find a very substantial balance in your favour.

It is said that because there is \$80,000,000 on deposit in Alberta and debts total \$400,000,000, there is only twenty cents to meet every dollar of debt. Let us ask: "Who owns the twenty cents and who owes the dollar?" If you have \$200 in the bank and if I owe somebody \$1,000, then you have twenty cents for every dollar I owe. Can I take any part of your two hundred to pay off any part of my thousand? But the critic says: "Oh, there is too wide a disparity between debts and deposits and that gap should be closed."

All right, let's close it — Now, we'll say that I still owe the \$1,000 but you have \$1,000 in the bank. The disparity has been wiped out. You now have a dollar for every dollar I owe but still what right have I to take the thousand you have, to pay to somebody else the thousand I owe?

If Albertans have \$80,000,000 in bank deposits in this Province it is money belonging to individuals. It is their own. Debtors, whether they be individuals, a Province or a municipality, or whoever they may be, cannot expect to use your money to pay their debts. If you have money in the bank the very next time anybody tells you that there is only twenty cents in money in the banks in Alberta to meet every dollar of debt, just ask the man who tells you that whose debt he thinks your money is going to pay.

We promised to tell you a few things about money and to explain away some of the strange misapprehensions about it.

We shall try to tell you in a practical way, what money is, where it comes from and how it works. There is a fairly widespread idea that there are not enough bank notes or "tickets" around — and that, if there were more, we would all be better off.

If I say that I would like some more of those bills, I am really demanding a larger share of the bills that now exist, perhaps some of those that you have, for you can have in circulation at any one time only as many bills as the volume of business calls for. The moment you issue bills faster than that, you get inflation.

After our first broadcast I received a letter from an Alberta woman who lived in Germany through the inflation. I would like to read to you what she says: "Why not tell Albertans people about conditions in Germany during the inflation — this talking about money being printed to meet the needs of the people is getting somewhat on my nerves. I lived through the entire trying times of 1923 and I could quote you some startling examples created through unorthodox banking. At one time I bought an overcoat for the staggering sum of Thirty-two Billion Marks. I have heard farmers speaking in the lobby of a bank, having sold their produce for One Thousand Marks at one o'clock and, about an hour later, finding that the very same produce required twice, often three times the amount of money to repurchase it."

In Germany at times during the inflation it took an armful of paper

Marks to buy a loaf of bread. This German lady, speaking of paper money, inflated goes on to say: "It brings nothing but chaos with the greatest loss to those who can least afford to lose."

There speaks the voice of experience. No greater outrage has ever been perpetrated on a people than that of wild inflation — the destruction of their assets. If you are in the twilight of life or incapacitated but, during the years you were able to work, had put aside a little for the rainy day, you lose. Perhaps you bought some bonds and the income from them is all you have to live on, perhaps \$25 or \$50 a month. Then one day, as in Germany, "tickets" are issued in large quantities, without any basis in value, and without regard to the volume of business.

Your \$25 or \$50 a month, through the huge increase in prices caused by inflation will buy only a fraction of what it bought before. If you are a person with a small fixed income you cannot buy enough to live upon.

Particularly does this apply to a family whose breadwinner has died, leaving only the proceeds of an insurance policy. They seem to have at least some material protection — for even when their money becomes almost worthless. This is what happens, that is all that can happen when money is issued altogether out of step with production.

When you hear the fable of the people who couldn't travel on a railway train because there were not enough "tickets" printed, remember that the financial system, in exactly the same way as a railway, lives by selling a service; anyone will realize that there will be no hesitation to provide all the "tickets" necessary so long as something of equal value is received in exchange. As a matter of fact in July this year, there were \$18,000,000 more "tickets" in the hands of the public — bank notes of all kinds — than there were in July of the boom year, 1929. And since July the "tickets" in the hands of the public have increased.

The story that, for their own selfish purposes, banks monetize the credit of the people, is a completely false conception of bank operations. A bank does extend credit to an individual — or if you like it, monetizes his credit for him — not for itself. That is, the bank makes a loan to help the strength of things which are his own and which he intends to sell later on and so repay the loan.

No one borrows from a bank unless he believes he will make a profit for himself over and above the bank charges. The bank does not collect interest or rental on the money loaned but the borrower's credit has been monetized entirely for his own use and benefit, subject only to a small fee for the bank's services.

Money merely facilitates indirect barter. If you have hogs and your neighbour has honey maybe you don't want to take honey in exchange for your hogs. Perhaps you want coal or clothing and you cannot buy them at the store by giving honey for them. So your neighbour gives you money for your hogs — "tickets" — and with those "tickets" you buy the coal or the clothing you require as the case may be.

Now what is money? You and I have been brought up to look upon nickels, dimes, quarters and dollar bills as money — and they are for all practical purposes. Actually these things are really tokens — they are not wealth in themselves. They are merely the title to goods. They are worth only what goods and services you and I can get in exchange for them. That is why it is so important that nothing be done to destroy the confidence of the people in them. That is why there must be no inflation — the multiplication of these things if their value is not to disappear.

To be a little more expert, as it were, it would be quite right to say

that there is far more money in existence than the small change and bills we see around us. Your deposit in the bank — for all practical purposes — is money, good, useable money. You hold the bank's promise to pay you that money when you want it; and banks are careful to keep their financial houses in such order as will enable them to do just that any day when you want your deposit.

The bank holds your deposit, your neighbour's and mine and, because it does, it is able to make loans — the proceeds of which go into the production of new wealth. The borrower makes a profit on the deal, he has more to spend than he had before. This stimulates business and by giving rise to increased employment, distributes purchasing power more and more widely among the people.

Where does money come from?

You often hear that the Chartered Banks alone make it and that they alone have the power to make it — all of which is quite wrong. Last week I told you about the limited power that Canada's Chartered Banks have to issue currency — now up to only ninety per cent of their paid-up capital and let me tell you they pay sweetly for that concession. They have to pay one per cent tax to the Dominion Government on their note circulation and they have to stand all the cost of printing and express and insurance in shipping it around wherever it is needed. Let me tell you that all this, added together, makes the privilege of note issue anything but a gold mine.

The Dominion Government formerly issued notes. When the Bank of Canada was opened the Dominion Government turned over its right of note issue to that institution. It gave the Bank of Canada all its gold holdings, plus Dominion Government bonds, to offset the liability assumed for the notes outstanding.

Then the Chartered Banks were required to turn over all of their gold to the Bank of Canada and to-day the Bank of Canada has, by Dominion Government regulation, power within certain limits to issue notes. These notes of the Bank of Canada together with all deposits in that bank, are backed by more than 60% of their face value in gold, other bullion and foreign exchange.

I told you in my earlier broadcasts that I would tell you about "cash." Bills of the Bank of Canada are cash — simply backed, as we have shown. Cash in Canada means bills of, or deposits in, the Bank of Canada — the Government's central bank. Bank of Canada bills, by law, are legal tender. Legal tender is the money in which all debts must be settled if either the debtor or the creditor insists. All other notes in Canada must, on demand, be redeemed by the bank concerned — in cash.

I told you a moment or two ago about the other kind of money — your deposits. They come from your savings, your labour, your production. They also are redeemable in cash. To say that money can be made out of nothing is surely a statement which Albertans will meet with unbelief.

The Bank of Canada was formed for the purpose of securing to Parliament the control of currency and credit. That control was strengthened when, in accordance with prior pledges, ownership of the majority of the capital was vested in the Government. By law, no banker, no bank director and no member of any bank staff is allowed to own so much as a single share in this Government central bank.

Let me close on this final note — currency and credit in Canada are not controlled by Canada's Chartered Banks, which are commercial banks — but, with due and proper regard to the value of the money you now have, by the Bank of Canada, which in turn is controlled by the Government of this Dominion.

**HUNTING POOR**  
In a check-up made by the Western Globe, it was found that local hunters over the holiday week-end had poor shooting.

Ducks, evidently, continue to fly high, well out of range, and geese are as wily as ever. Bags so far this year have been below average.
